

## **Westhill High School Senior Parking Agreement 2011 – 2012**

**Congratulations, you are now eligible to receive a reserved parking space in the Senior Parking Lot at Westhill High School. As a senior with parking privileges you will be assigned a numbered parking spot and be asked to follow specific guidelines throughout the school year when parking on campus. Failure to adhere to these guidelines will result in disciplinary action and the possible loss of your parking privileges. The guidelines that specifically apply to seniors with parking privileges are as follows:**

- **All seniors that park on campus must drive safely and not enter areas of the campus where buses drop off or pick up students during school hours.**
- **Westhill High School is a closed campus and no senior with parking privileges may leave school without going through the normal procedure outlined in the student handbook.**
- **Seniors with parking privileges and an early release schedule are not permitted to transport students off of the campus who are scheduled for class.**
- **Seniors with parking privileges are expected to arrive to the campus on time and make every effort to comply with the attendance policy set forth by the Stamford Board of Education.**
- **Parking tags must be visible at all times.**
- **Seniors are only allowed to park in their assigned space.**
- **Westhill High School does not assume any responsibility for cars that are parked on campus.**

**The guidelines above have been established to ensure that senior parking does not have a negative impact on the safety of our campus or student learning. Failure to adhere to these guidelines will be reviewed by the administration and result in disciplinary action that may include a loss of parking privileges. Please return the enclosed form, a copy of your driver's license and car registration to the Main Office in the Finch Building. Permits will be issued on a first come first served basis. If you have any questions or concerns about the guidelines above, please meet with your grade administrator as soon as possible.**
